RE: Annual Tax Rate Request

Enclosed:

- Millage Reduction Fraction Calculations Worksheet (L-4034)
- Sample Tax Rate Request Form (L-4029)

The sample L-4029 was voluntarily provided by Berrien County Equalization as a courtesy. There is no requirement for the Equalization Department to prepare L-4029s for other taxing units nor is it guaranteed that sample L-4029s will be provided by the Equalization Department in the future. It is critical for taxing unit officials to independently have a comprehensive understanding of the L-4029.

What is an L-4034?

The L-4034 is a tool to assist in the calculation of the 4 different millage reductions. The form describes which types of rollbacks apply to each taxing unit and displays the calculations involved.

Where do the values come from?

The values used are defined under Michigan Compiled Law 211.34d. The compilation of the values is done annually on forms L-4028 (612) and L-4028IC (613). Said forms can be found on the Berrien County Equalization website: https://www.berriencounty.org/Archive.aspx?AMID=81

What is an L-4029?

The L-4029 is necessary to approve and communicate which tax rates should be used. Filing of the L-4029 is mandatory and is issued under the authority of MCL Sections 211.24e, 211.34, and 211.34d.

Who is responsible for preparing and filing the L-4029?

Each taxing unit is 100% responsible for their L-4029 and its contents. Further, the L-4029 must be certified by authorized representatives of each taxing unit.

How does one complete and submit the L-4029?

The L-4029 comes with instructions and the top of the form lists where it should be submitted. Further, some helpful resources are linked below.
